

Family & Student Handbook

Dotori School

Welcome to Dotori School

Dear Families,

When I was in high school, I moved from Korea to the U.S. with my family. Like many newcomers, I began as an English language learner. Over time, I grew deeply drawn to language and dreamed of becoming a writer—eventually taking Honors and AP English and later majoring in English Literature in college. Looking back, I realize I have always loved not only learning languages, but also the narratives and perspectives they open up.

During my three years of high school, I served as a teaching assistant at USBKS (United Seattle Bellevue Korean School), and after graduating from college, I returned as a teacher. Working at a public school on weekdays and at the Korean school on weekends was exhausting at times, but it was also deeply meaningful and rewarding, strengthening my connection to my heritage and to students navigating multiple languages and cultures.

From my early work as a gifted preschool program researcher to tutoring at a refugee center, serving as a classroom teacher and multilingual learner teacher in public schools, and teaching at the Korean school—what I've loved most is helping children use language, whether English or Korean, not just as a tool for communication but as a way to think deeply, understand others, and broaden their perspectives. Language is where culture and connection meet. Teaching it brings me immense joy.

In a world filled with advanced technology and AI, I believe education that nurtures critical thinking and human connection through language is more essential than ever. Dotori School was born out of this belief, and it's my privilege to share this journey with your family.

Warm regards,

Yesol Jung
Founder/ K-8 Teacher

Our Vision

We envision a nurturing and inspiring learning environment where children develop a lifelong love for learning.

Dotori began as a small after-school and weekend program, but our dream is to grow into a fully accredited, premier Korean-English bilingual private school, offering all core academic subjects alongside rich bilingual learning.

We aim to cultivate curiosity, creativity, and confidence in every child, preparing them for future academic and social success.

Our Mission

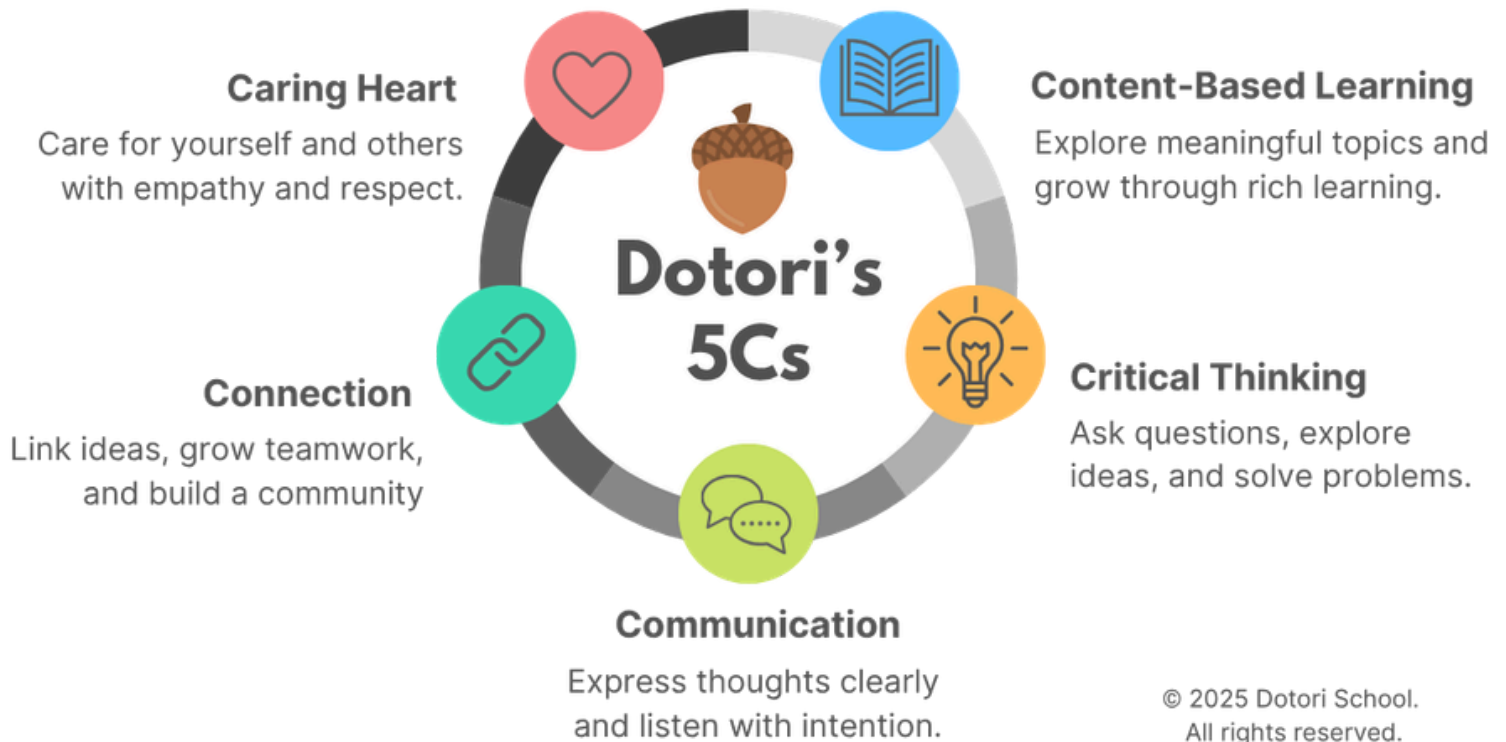

Our mission is to provide a safe, inclusive, and joyful learning experience that supports the intellectual, emotional, and cultural development of each child.

We strive to:

- Encourage curiosity, independent thinking, and problem-solving.
 - Build strong foundations in literacy and bilingual learning through meaningful and engaging programs.
 - Foster creativity and imagination through hands-on, content-based experiences.
 - Partner with families to create a strong home-school connection and a supportive community.
- 

Dotori's Core Values – The 5Cs

At Dotori School, our educational approach is rooted in the 5Cs:

Our curriculum focuses on the following key developmental areas:

Because our offerings change each quarter and each class is shaped around the students in it, we don't publish a fixed curriculum in our handbook. You'll always find our current classes on our website, and we're happy to answer questions about any of them.

Tuition Policy

Payment Schedule & Method

- Tuition must be paid in full at the time of registration
- Please make tuition payments to “Dotori School” if you pay via Zelle or check.

Refunds & Cancellations

- Full refunds are available for cancellations made at least one week before the first class begins.
- After the first class, tuition is non-refundable unless otherwise approved by the school.

Discounts

- Sibling Discount: A \$100 sibling discount is applied once per quarter, regardless of the number of siblings enrolled.
- Multi-Group Class Discount: A \$100 multi-group class discount is applied once per quarter, whether a student enrolls in two group classes or more.

Additional Notes

- Any textbook or material fees may be billed separately if applicable.

Dotori Lounge

The Dotori Lounge is a welcoming space for students to stay before or after class.

Hours:

- **Mon–Fri: 4:00–8:30 PM (Wed: 2:00–8:30 PM)**
- **Open to all Dotori students, even on days without class.**

- Quiet reading or homework time
- Light snacks available
- Access to Dotori Library books and board games
- Occasional enrichment activities such as art and STEAM mini-projects
- Flexible pickup time, no rush for parents

Dotori Library

A cozy corner where students can relax and enjoy reading. You're welcome to talk to your teacher and borrow one book a day anytime!

The Dotori Lounge is designed as a student-only space, so we kindly ask parents to drop off their child and exit promptly to help maintain a focused and comfortable environment.

At Dotori School, we aim to provide a safe, caring, and productive learning environment. Even though our program meets only a few hours each week, student safety and respect for others are essential.

Behavior Expectations

Behavior Guidelines

We expect all students to:

- Treat themselves, others, and property with respect.
- Follow teacher directions and safety rules at all times.
- Use language and actions that create a positive community.

Minor vs. Major Behavior Concerns

- Minor Concerns: Disruptive behavior, refusal to follow directions, disrespectful language, repeated off-task behavior. → Addressed with redirection and a parent conference to find solutions together.
- Major Concerns: Physical aggression, bullying, threats, harassment, possession of harmful items, or any action compromising student safety.

Zero tolerance for safety violations. Major Concerns may result in immediate withdrawal from the program, and no refund will be issued for any remaining tuition.

Restorative Conversation – 4 Key Questions

- What happened and how did you feel?
- What would you like to see change?
- What can you change in yourself?
- What is your plan to restore the connection? (apology, agreement, or boundary)

Bathroom Use

Location

Dotori School students use the shared restrooms located in front of the 2nd-floor elevator. Because these facilities are shared with other tenants in the building, we encourage all students to use them responsibly.

Bathroom Logs & Pass

When students go to the restroom alone, they must sign out on the bathroom log and take the bathroom pass. This helps us manage restroom use safely and responsibly.

Grade-Level Guidelines

- K-1: A staff member always accompanies students.
- Grade 2 and above: Students go alone but must follow all restroom rules.

Whenever possible, please encourage your child to use the restroom with you before or after class

Bathroom Rules

All students are expected to:

- Keep the restroom clean. Dispose of trash properly.
- Use inside voices and be respectful of others.
- Wash hands with soap after use.
- Take care of supplies (soap, paper, water) and do not play with fixtures.

Family Communications

Primary Communication

- Our main form of communication is email. Please check your email regularly for updates, announcements, and important notices from the school.
- For non-urgent matters, please email us first.

School Visits

- For the safety and focus of our students, all school visits must be scheduled in advance.

Progress Report

- At the end of each term, every student receives a detailed progress report.
- The report covers the material we worked on during the term, along with specific feedback on your child's performance, including strengths, areas for growth, and goals for the next term.
- Parent-teacher conferences are available upon request at any point during the term, not just at the end. Conferences can be held by phone, email, or in person, whichever works best for your family.

Additional Consultations

- In-depth discussions about your child's public school experience or long-term academic/career planning and coaching are available upon request and scheduled separately.
- A consultation fee per hour applies for these additional services.

Emergency & Safety Guidelines

Emergency Contact

- Parents/guardians must provide up-to-date contact information.
- In an emergency, we will contact parents or designated guardians immediately using the information on file.

Building Safety Procedures

- In the unlikely event of a safety concern (e.g., fire alarm, earthquake, or building evacuation), students will follow staff instructions to exit the building calmly and safely.
- During any emergency inside the building, students remain with staff until released to a parent/guardian or emergency personnel.
- While we do not conduct formal drills due to the short program schedule, staff are prepared to respond to emergencies and follow building management guidance.

School Closures

- Dotori School follows a set schedule and does not hold classes during major holiday weeks (e.g., Thanksgiving week, Christmas/New Year week).
 - In rare cases of severe weather or other emergencies, we will notify families via email and/or text message about any class cancellations.
